Welcome

01

The Persimmon Signage Portal is your one-stop shop for ordering construction signage. Browse products with images, select sizes and materials, and submit orders directly - all from your browser.

> **Site managers:** start at page 3. **Purchasers:** skip to page 10.

What's Inside

Logging In

02

Access the portal from any device with a web browser.

1. Open your browser and navigate to the portal URL provided by your team.
2. Enter the password provided by your administrator.
3. You'll land on the **Construction Signage** homepage showing all available categories.

> **Tip:** The portal works on phones and tablets too - handy for ordering on-site.

Branded login screen

Category overview after login

Browsing Products

03

Find the right sign by category or search across 800+ products.

1. Select a category from the homepage to see all products in that group.
2. Each product shows an image, code, name, and starting price.
3. Tap any product to see all available sizes and materials.
4. Use the **search bar** in the header to find products by name or code.

> **Tip:** Product codes (like PCF151) match the codes in your existing signage catalogues.

Selecting & Adding Products

04

Choose your size, material, and quantity, then add to your basket.

1. On the product page, find the variant you need (size and material are listed for each).
2. If the product has custom fields (e.g. **Site Name**), fill them in - they're required before adding.
3. Set your quantity using the **+** and **-** buttons.
4. Tap **Add to Basket**. A confirmation toast will appear.
5. The basket icon in the header updates with your item count and running total.

> **Tip:** Some products like site entrance boards require you to enter your site name - this gets printed on the sign.

Basket summary with pricing

Checkout

05

Tell us who's ordering and where it's going.

1. Tap **Proceed to Checkout** from your basket.
2. Under **Contact Details**, select an existing contact from the dropdown - or tap **Add new** to create one.
3. Under **Site Details**, select the delivery site - or tap **Add new** to enter the site name and address.
4. To edit or remove saved records, select **Manage contacts...** (or **Manage sites...**) from the dropdown.

> **Tip:** Contacts and sites are saved for future orders. Set them up once and reuse them every time.

Contact and site selection at checkout

Review & Submit

06

Add purchaser details, review your order, and submit.

1. Under **Purchaser**, select the person responsible for raising the purchase order - or tap **Add new**.
2. Optionally enter a **PO Number** if you have one.
3. Add any **Special Instructions** (delivery notes, timing, etc.).
4. Review the **Order Summary** - it shows every item, subtotal, VAT (20%), and total.
5. Tap **Submit Order**. You'll see a confirmation screen with your order reference number.

> **Tip:** Your order reference (e.g. PER-20260318-A1B2) is your tracking number - save it or find it later on the Orders page.

Requesting a Custom Sign

07

Need something bespoke? Describe it and we'll quote you.

1. Tap **Custom Sign** in the header navigation.
2. Select the **Sign Type** (Warning, Prohibition, Mandatory, etc.) and **Shape** (Rectangle, Square, Circle, or Triangle).
3. Enter the **Sign Text** – this is the message that will appear on the sign.
4. Choose your **Size** and **Material**, then set the quantity.
5. The **Preview** panel updates in real time as you make changes.
6. Tap **Add to Basket – Quote on Request**. The sign is added at no charge; our team will confirm pricing before manufacture.

Tracking Your Orders

08

Check the status of any order without picking up the phone.

1. Tap **Orders** in the header to open the My Orders page.
2. Filter by **contact** (tap a name pill at the top) or **site** (tap a site card).
3. Use the **status tabs** to filter: All, New, Awaiting PO, In Progress, Completed.
4. Tap any order card to expand it and see full details: items, pricing, contact info, and current status.

New	Order received, being reviewed
Awaiting PO	Purchase order requested from your purchaser
In Progress	Signs being manufactured
Completed	Order fulfilled and delivered
Cancelled	Order cancelled – no further action needed

PURCHASERS

Uploading a Purchase Order

When a purchase order is needed, you'll receive an email with an upload link.

1. You'll receive an email titled **"PO Request"** with the order details and a link.
2. Click the **Attach Purchase Order** button in the email.
3. You'll be taken to the upload page. Select your PO document (PDF or image).
4. Click **Upload**. The document is attached to the order and the team is notified.

> **Tip:** The upload link is unique to this order. No login required – just click and upload.

Managing Contacts & Sites

10

Keep your contact and site records up to date for fast repeat ordering.

1. During checkout, select **Manage contacts…** (or **Manage sites…** / **Manage purchasers…**) from the relevant dropdown.
2. A modal opens showing all saved records.
3. Tap the **edit icon** to update a name, email, phone number, or address.
4. Tap the **delete icon** to remove a record. Past orders are not affected.
5. To add a new record, tap **Add new** and fill in the details.

> **Tip:** Any changes you make are available immediately for all future orders.
